# '73-'74 Greenwave Staff

The members of the Greenwave Annual staff were selected by the WPHS faculty on the basis of leadership, dependability, and academic achievement. Working together at weekly meetings, making sales in homerooms, striving frantically to meet deadlines - these are a few of the staff's experiences. But the experience of sharing this book of 1973-74 memories with their classmates makes the hard work worth the effort.

# 1974 Green Wave Band

This year saw the West Point High School Band achieve a goal that had eluded the Band for five long years. The 1973-74 W.P.H.S. Band received "All Superior" ratings at the State Band Contest. With the W.P.H.S. Band also receiving "All Superior" ratings at the Gulf Coast Marching Band Contest and the West Point Junior High Band receiving "All Superior" ratings at their Junior High Band Contest, the '73-74 West Point Bands are the first in West Point History to have received "All Superior" ratings in every Contest entered.

The West Point Band members are genuinely proud of their accomplishments and through these accomplishments they have become keenly aware of the determination and hard work that is essential to be successful.

With the help of Mrs. Brenda Berry, the Girls' Track Team reorganized this year. The girls have worked hard to get ready for competition with other schools. The 1974 baseball team had a winning season with a record of 13-6. Depressing losses to Columbus Lee and Columbus Caldwell left the Wave with an 8-2 mark in district play, a tie with Caldwell. In the Little Ten Tournament, Amory defeated the Wave in the first game. This loss gave West Point more time to prepare for the district Championship with Caldwell. It was a tense game but Caldwell held the edge after seven innings, 8-6. To the right, Ray Keel, selected as all Little Ten outfielder, stands with Coach Wood and Coach Hill.
